

WEB PRIVACY POLICY

Pursuant to Article 13 of European Regulation 2016/679 (the "**Privacy Regulation**"), **AISICO S.r.l.** wishes to inform all users and/or visitors to the site <http://www.aisico.it> of the use of personal data, log files and cookies collected through the site.

1. **Appointed Data Protection Manager**

The responsible of the processing of personal data is **AISICO Srl** (C.F. and P.IVA 10186871009.), with registered office in VIALE BRUNO BUOZZI, 47- 00197 ROMA, e-mail info@aisico.it, (hereinafter the "**Data controller**").

Information collected by the Site

a) automatically

- Navigation data:

The computer systems and software procedures used to operate this site acquire, during their normal operation, some personal data whose transmission is implicit in the use of internet communication protocols.

This data, necessary for the use of web services, is also processed in order to

- obtain statistical information on the use of the services
- check the correct functioning of the services offered.

b) communicated by the user

- Data communicated by the user:

The optional, expressed and voluntary sending of data, through the various fill-in forms on the site, entailing the acquisition of the aforementioned information relating to the sender, for requests for services, and management of research, personnel selection and work contacts.

c) through cookies

The site uses technical cookies necessary for the use of the website.

In accordance with the applicable privacy regulations, AISICO Srl, the controller of the data acquired through the www.aisico.it website, informs the user that this website does not use profiling cookies in order to send advertising messages in line with the preferences expressed during navigation.

3) Type of personal data, purpose, legal basis and retention period

The personal data requested and provided to us is needed to allow you to access the site and use the following services:

Type of service: **Crash test booking.**

Type of personal data collected: personal details and contacts.

Purpose: to acquire, by filling in a specific form, the references of users of the site in order to obtain information for information/commercial purposes/reservation of tests.

Legal basis: consent.

Storage period: up to 24 months from the date of acquisition or contact renewal, unless a request for cancellation is made prior to the aforementioned deadline.

Type of service: **work with us;**

Type of personal data collected: personal details, contact details (e.g.: e-mail, telephone numbers, ...), professional/work details, possible membership of protected categories.

Purpose: to obtain candidates' references by filling in a specific form.

Legal basis: potential execution of a contract.

Storage period: up to 24 months from the date of acquisition.

The processing of data for the above mentioned purposes shall be carried out in compliance with Legislative Decree no. 196 of 30 June 2003 "Personal Data Protection Code", as well as in accordance with the GDPR (EU Regulation 2016/679); for any matters not specifically governed by the above legislation, please refer to national, European and international sector regulations.

The data provided will be processed mainly by computer under the authority of the Data Controller, by persons specifically appointed, authorized and trained to process them pursuant to Articles 28 and 29 of the Privacy Regulations. Please note that appropriate security measures are also observed pursuant to Articles 5 and 32 of the Privacy Regulation to prevent loss of data, unlawful or incorrect use and unauthorized access.

4) Compulsory or optional nature of consent for the provision of data

The provision of data is optional, but in the event of failure to do so it will not be possible to use some of the forms on the site.

5) Where we can transmit the data

The data may be communicated, within the EU, in full compliance with the provisions of the Privacy Regulation, to the following subjects

- (1) to the financial administration and/or other public authorities, where required by law or at their request;
- (2) the structures, persons and external companies which the Data Controller uses to carry out activities connected with, instrumental to or consequent upon the execution of the Site Services.

6) Security measures

Through the Site, data is processed in compliance with the applicable law and using appropriate security measures in accordance with the regulations in force also pursuant to Articles 5 and 32 of the Privacy Regulation.

7) Rights

Please note that at any time you may exercise your rights under Articles 15 et seq. of the Privacy Regulations, by sending a written communication to the contact details of the Data Controller, with a view to obtaining:

- confirmation of the existence or not of personal data with indication of their origin, verify their accuracy or request their updating, rectification, integration;
- access to, deletion of or limitation of data processing;
- the transformation into an anonymous form or the blocking of data processed in violation of the law.

You may also object to the processing of personal data previously provided.

8) Amendments to the Privacy Policy

The Data Controller reserves the right to make changes to this Privacy Policy, replacing the previous versions. This information notice was issued July/2021.
